IMMEDIATE POSTDOC POSITION AVAILABLE

Hong Kong University of Science and Technology (HKUST)

We are offering a full-time Research Scientist (postdoctoral) position in the area of Wireless Communications with a particular emphasis on Caching and Edge Computing for Future Wireless Networks.

**Required Qualifications:** Candidates should have a PhD in the field of Wireless Communications, or related areas, with a strong theoretical and mathematical background and good research and publication record. A strong command of English is a must.

**Employment:** The initial appointment will be for one year in the ECE Department at HKUST, with the possibility of extension depending on the candidate’s performance.

HKUST is a research intensive university and it has one of the best engineering schools in the world. It is ranked No. 16 in the world in 2015 according to the prestigious Times Higher Education World University Rankings in the Engineering & Technology field, and ECE (http://www.ece.ust.hk/) is ranked No. 25 in the world in QS World University Rankings by Subject in 2016.

The successful applicant will be working with Prof. Jun Zhang and Prof. Khaled B. Letaief. For more information of ongoing research topics in our group, visit http://www.ece.ust.hk/~eejzhang/.

**Applications:** The application (including CV, representative publications, brief research statement, and names of referees) should be sent by email to Prof. Jun Zhang eejzhang@ust.hk and Prof. Khaled B. Letaief eekhaled@ust.hk.
