## Success Stories

**Sam Ngai – Assistant Project Manager, Data Science and Innovation (2017 Intake)**

This is a comprehensive Program for fresh graduates. This Program not only helped me develop my technical skills, but also enhanced my project management and communication skills. During the department rotation period, I got the opportunity to further develop my leadership skills and explore different state-of-the-art technologies, such as security or cloud related products from different vendors. These experiences helped me to gradually establish my desired career path.

**Kishi Hung – Account Manager, Enterprise Solutions (2018 Intake)**

Choosing the right career path is always the most crucial decisions in our lives, CITIC Telecom CPC's Sales MT Program successfully guided me to devise my desired career path. I was able to understand the comprehensive sales flow, from fact finding to pitching, solution planning to ordering. All these invaluable opportunities equipped me with comprehensive knowledge to become a professional account manager.
